## **DETAILED ACTION**

### ***Information Disclosure Statement***

1. The information disclosure statement filed October 18, 2005 fails to comply with the provisions of 37 CFR 1.97, 1.98 and MPEP § 609 because no English translation was provided. It has been placed in the application file, but the information referred to therein has not been considered as to the merits. Applicant is advised that the date of any re-submission of any item of information contained in this information disclosure statement or the submission of any missing element(s) will be the date of submission for purposes of determining compliance with the requirements based on the time of filing the statement, including all certification requirements for statements under 37 CFR 1.97(e). See MPEP § 609.05(a).

### ***Allowable Subject Matter***

2. Claims 1-4, 7-12, 15-20, and 23-24 are allowed.

3. The following is an examiner's statement of reasons for allowance:

With regard to Independent Claims 1, 3, 4, 9, 11, 12, 17, 19, and 20, the Applicant has sufficiently claimed and commonly recited a mobile phone including a control section that controls a light emitting section so as to continuously emit light while capturing a moving image so that a time length for emitting light varies depending on whether a still image or moving image is captured, and whereby the control section controls the light emitting section to continuously emit light while a capturing section is not active with an intensity that is lower than the intensity of light emitted from the light emitting section at the time of capturing an image. The prior art of record fails to teach

or suggest the combination of structural elements claimed herein, specifically the control section controlling the light emitting section to continuously emit light while the (image) capturing section is not active with an intensity that is lower than the intensity of light emitted at the time of capturing an image such that the phone can be operated as a flashlight with lower intensity light than when recording images, and all subsequent dependent claims are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
